**MORTGAGE LENDING LIMIT INCREASES**

The Peterborough Community Credit Union is pleased to announce an increase in our mortgage loan lending limit. The credit union is now able to lend our members up to \$400,000 for a 1st mortgage loan. The credit union is fortunately able to keep our lending rates competitive as the demand for mortgage loans begin to increase this time of year. Now would be a great time to take advantage of our “3 year mortgage special” at just 3.5%. Please call 705-748-4481 and speak to Maggie, Marg or Karen. today for more information!

**Happy Easter!**

Our office will be closed on Friday, April 22nd

## New Online Bill Payment Feature

When members pay your bills online you will now see a list of your regular vendors, the last payment amount and the last time the bill was paid. You can now enter more than one bill payment at a time and confirm them all at once. You can also continue to set up payments in advance.

## REMINDER

We are still issuing the new CHIP debit cards to our Members. During your next visit to the credit union please ask our staff for your new debit card. It will only take a few minutes of your time and will give you peace of mind knowing that your new debit card will be more secure from fraudulent activity and will offer you greater speed and convenience at the point of sale.

Your credit union is supporting local performing arts and youth cultural programs with a donation to Market Hall, which will be re-opening soon. A plaque will designate the "Peterborough Community Credit Union" as a significant contributor.
