## JOHN POTTS RETIRING AFTER 35 YEARS

John Potts began his career with the Credit Union in 1975 and will be retiring later this year. Before beginning his position at the Credit Union, John worked in loan collections and as an officer in the banking sector. Since he's been a part of the Credit Union team he has built strong bonds with our Members and has helped countless Members and staff with their financial dealings, often going above and beyond what is typically expected of a Credit Manager. His approachable attitude, compassion and commitment to our Members has made John a very popular part of the Credit Union team over the years. John will undoubtedly be missed by countless Members and staff, and when the time comes, we wish him a well deserved and enjoyable retirement.

## P.C.C.U. Welcomes Co-op Student

**The Credit Union has just started working with a Co-op student from P.C.V.S. Isaac Verhoeven is a 17 year old grade 12 student at Peterborough Collegiate Vocational School and is interested in pursuing more education in the business and**

**finance field. Isaac will be with us every afternoon until this school semester ends in June. He will be training under most of our staff during his stay here, trying to learn as much as possible about the daily operations of our Credit Union.**

## New Credit Manager at the P.C.C.U.

The Credit Union wishes to welcome a new staff member this month. Margaret Williams has joined our team as Manager of Lending and will be working with John Potts, current Credit Manager, until his retirement.

Maggie has held numerous positions in the banking sector. Her employment history includes positions with the Toronto Dominion Bank and Scotiabank. After 10 years in the banking industry she began working in the credit union sector. She enjoys working in the credit union movement where people

come first.

After working in management at the Ontario Civil Service Credit Union for 12 years she decided to make the move to the Peterborough Community Credit Union and we are pleased to have her with us. She is married to her high school sweetheart and they have 2 daughters, 19 and 16. Maggie looks forward to meeting with all of our Members to help you with your borrowing needs. Come in to talk to her soon to get the best rate and terms on mortgages, personal and auto loans! Watch for upcoming specials.
